W. WRESZINSKI
DIE MEDIZIN DER ALTEN ÄGYPTER
BAND III

Druck von August Pries in Leipzig.

Vorrede.

Auf meine dringende Befürwortung hin hat sich der Verlag mit dankenswerter Bereitwilligkeit dazu entschlossen, in die Sammlung der Medizinischen Texte der alten Ägypter, wie ich sie in der Vorrede zum I. Bande skizziert habe, auch eine Bearbeitung des Papyrus Ebers aufzunehmen, so daß also nach Abschluß des Werkes wirklich das gesamte bekannte Material bis in die koptische Zeit hinein gesammelt vorliegen wird. Auf diese Weise wird es möglich sein, im Schlußbände eine Darstellung der altägyptischen medizinischen Wissenschaft unter steter Verweisung auf die Belege zu geben, und ferner ist zu hoffen, daß durch die Vergleichung aller in Betracht kommenden Stellen auch unsere Kenntnisse der Krankheits- und Drogennamen vergrößert werden.

Es wäre zweifellos ein schwerer Mangel gewesen, wäre die Bearbeitung des Papyrus Ebers in Hinsicht auf die schon vorhandene Prachtausgabe unterblieben, denn diese ist heute in jeder Beziehung veraltet. Zwar die Tafeln werden immer ihren Wert behalten, aber sowohl die Bemerkungen von Ebers als auch das Wörterbuch von Stern haben der Zeit ihren Tribut entrichten müssen, und was uns Modernen an einer Textpublikation das Wichtigste erscheint, die Transkription und die kommentierte Übersetzung, fehlt in jener Ausgabe ja völlig.

Nun liegen freilich nicht wenig Einzeluntersuchungen über den Papyrus Ebers vor; Ebers selbst, Erman, Schäfer, Maspero, Öfele u. a. m. haben manchen sehr gediegenen Beitrag zum Verständnis einzelner Teile geliefert. Aber diese Aufsätze und Bemerkungen sind in allen möglichen Akademieabhandlungen, Zeitschriften und Einzelwerken zerstreut, so daß sie dem einzelnen nur schwer erreichbar sind. Außerdem haben aber nur wenige Teile des Papyrus sich der Beachtung zu erfreuen gehabt; im allgemeinen gleicht der Papyrus Ebers einem unerforschten Gebiete, von dem einzelne Reisende nur kleine Teile betreten und mehr oder minder richtig beschrieben haben.

Aber wir haben doch die Übersetzung des ganzen Papyrus von Joachim. Diese ist niemals gut gewesen. Die zahllosen Fehler im Texte, die Auslassungen und Verschreibungen usw. hat er ruhig passieren lassen und doch immer einen Sinn herausbekommen; er fürchtet sich auch nicht vor den gewagtesten Deutungen sonst unbekannter Wörter und liest so vieles in den Text hinein, was nicht im mindesten begründet ist. Ein hübsches Beispiel von Joachims Übersetzungsweise ist seine Auffassung von der Überschrift zu Ebers Nr. 617; er beginnt folgendermaßen (S. 134): „Wenn du den Rücken oder das Rückgrat (?) krank findest“ — Lüring („Die über die mediz. Kenntnisse der alten Ägypter berichtenden Papyri“ Straßburg 1888), auf den er verweist, hat S. 63 „Schienbein und Wade“ — in Wirklichkeit handelt es sich um Finger und Zehen.

Was ich sodann im vierten Bande meiner Sammlung als Übersetzung geben werde, ist ein sehr viel lückenhafterer Text, als der von Joachim, doch hoffe ich ihn im einzelnen im Kommentar besser begründet zu haben.

Zur Transkription bemerke ich, daß ich Möllers ausgezeichneter Paläographie vieles verdanke; ich habe mich aber nicht entschließen können, überall die paläographisch richtigen Äquivalente für die hieratischen Zeichen einzusetzen, sondern ich bin häufig bei der konventionellen Umschreibung geblieben. Das geschah teilweise aus der Anschauung der hieroglyphischen Texte der 18. Dyn., die doch z. B. das *k* immer schreiben, wie wir es bisher gewohnt waren, nicht umgekehrt, wie es paläographisch richtig transkribiert werden müßte, teils waren es praktische schreibtechnische Gründe, die mich an der Unterscheidung z. B. der Formen Paläogr. I No. 495 und 497 oder 98 und 446 u. a. m. hinderten. Andererseits habe ich die Form *mm*, die hieroglyphisch nicht nachweisbar ist und wohl nie bestanden hat, für die Präposition *·* eingeführt, weil sie mir praktisch erschien. Leider habe ich die Unterscheidung von  und  unterlassen. Für das mit *šrwš* transkribierte Wort für „behandeln“ ist, wie Herr Dévaud mir freundlichst privatim mitteilte, immer *šrwš* zu lesen.

Im einzelnen weiß ich mich mancher Inkonsequenz in der Transkription schuldig, ich hoffe aber, daß dieser Umstand dem Verständnis des Textes nicht hinderlich sein wird.

Königsberg i. Pr., Oktober 1912.

Walter Wreszinski.

The image displays a collection of ancient Egyptian hieroglyphs, organized into several rows. The symbols include various signs such as birds, lotus flowers, and abstract shapes, some with circled numbers 1, 2, 3, and 4. The arrangement is organized into groups, with some groups separated by horizontal lines.

 Hieroglyphic text for No. 267, consisting of three lines of symbols. The first line contains six groups of symbols. The second line contains five groups. The third line contains a long sequence of symbols, including wavy lines and various signs.

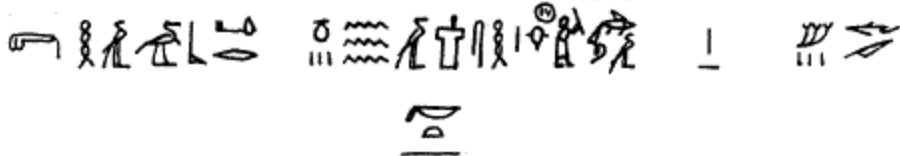

No 267

 Hieroglyphic text for No. 268, consisting of two lines. The first line has two groups of symbols. The second line has two groups, with a circled symbol above the second group.

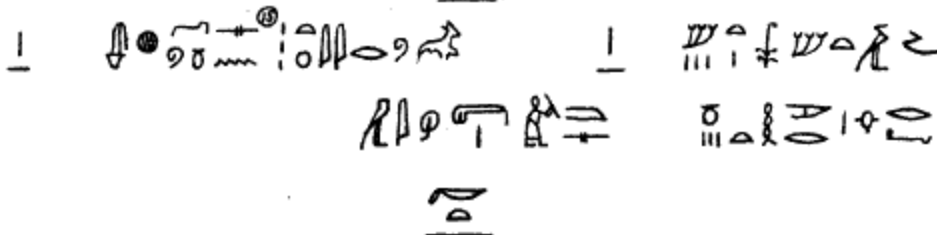

No 268.

 Hieroglyphic text for No. 269, consisting of three lines. The first line has four groups. The second line has five groups. The third line has a long sequence of symbols, including wavy lines and various signs.

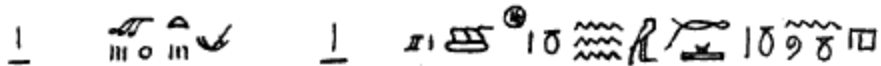

No 269.

 Hieroglyphic text for No. 270, consisting of two lines. The first line has two groups. The second line has a single group with a circled symbol above it.

No 270.

 Hieroglyphic text for No. 271, consisting of two lines. The first line has two groups. The second line has two groups.

No 271.

 Hieroglyphic text for No. 271 (continued), consisting of one line with two groups of symbols.

 Hieroglyphic text for No. 480, consisting of approximately 12 lines of symbols. The symbols include various signs such as birds, lotus flowers, and geometric shapes, some of which are circled with numbers like 14 and 15.

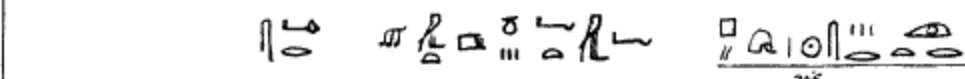

No. 480.

 Hieroglyphic text for No. 481, consisting of approximately 4 lines of symbols. The symbols include lotus flowers, birds, and other standard hieroglyphs, with some circled numbers like 16.

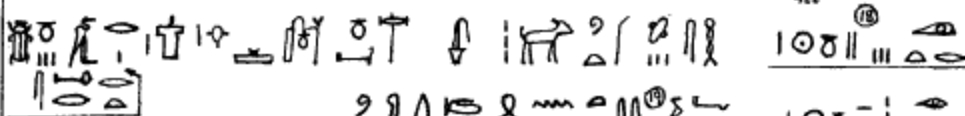

No. 481.

 Hieroglyphic text for No. 482, consisting of approximately 1 line of symbols, including lotus flowers and birds, with a circled number 17.

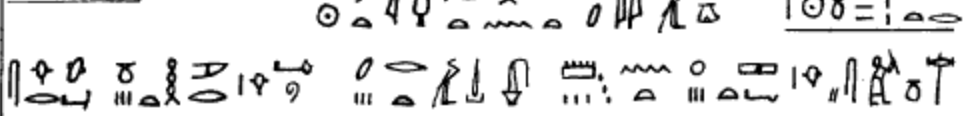

No. 482.

 Hieroglyphic text for No. 483, consisting of approximately 1 line of symbols, including lotus flowers and birds, with a circled number 18.

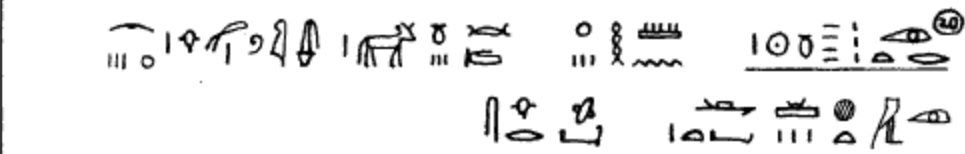

a

 Hieroglyphic text for No. 484, consisting of approximately 2 lines of symbols, including lotus flowers, birds, and other signs, with circled numbers 19 and 20.

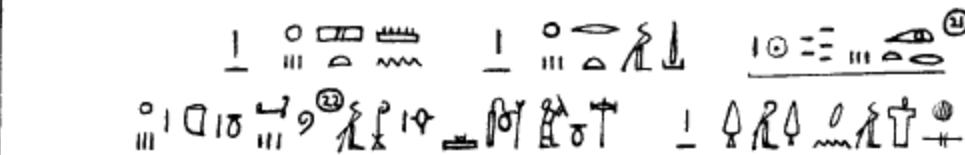

b.

 Hieroglyphic text for No. 485, consisting of approximately 2 lines of symbols, including lotus flowers, birds, and other signs, with circled numbers 21 and 22.

c.

 Hieroglyphic text for No. 486, consisting of approximately 2 lines of symbols, including lotus flowers, birds, and other signs, with circled numbers 23 and 24.

d.

 Hieroglyphic text for No. 487, consisting of approximately 2 lines of symbols, including lotus flowers, birds, and other signs, with circled numbers 25 and 26.

e.
